

Ready to accept
the challenge?

Challenge of the month

Degree of difficulty

Easy

Pupils age

All

Duration

1 month

Material

Not much, depending on challenges.
The minimum required is a smartphone to capture outcome and post it on the social network.

Objectives

- Participating in a challenge suggested by United Schools. It might refer to a specific topic or a moment of the year (international day...)
- Sharing with other classes in the world how they work on it
- Commenting other classes' work

Description

Each month, United Schools team suggests a challenge. You can find it in the monthly users newsletter sent by email.
The challenges of the next 3 months are also indicated and explained so that you can get organised.
In the newsletter, you will find each step of the challenges explained in details. You will be able to post photos, videos, messages in the dedicated groups.
If you don't receive the newsletter yet, contact us!
