

United Schools Challenge of the month

Difficulty

Easy

Age of students

All age

Duration

1 month

Goals

- Participating in a challenge suggested by United Schools. It might refer to a specific topic or a moment of the year (international day...)
- Sharing with other classes in the world how they work on it
- Commenting other classes' work

Supplies needed

- Not much, depending on challenges.
- The minimum required is a smartphone to capture outcome and post it on the platform.

Description

Each month, United Schools team suggests a challenge. You can find it in the monthly users newsletter sent by email or thanks to the whatsapp group. If you are not inside, please ask us (contact@unitedschools.world).

In the newsletter, you will find each step of the challenges explained in details. You will be able to post photos, videos, messages in the dedicated groups. If you don't receive the newsletter yet, contact us (contact@unitedschools.world).
