

READY FOR THE CHALLENGE?

United Schools

Picture taken from the classroom

Difficulty

Easy

Age of student

6 - 12 years old

Duration

1 month

Goals

- Opening children to the world
- Noticing different points of view from pupils of one class
- Express emotions and imaginary created by a photo
- Practicing new digital tools

Supplies needed

- A smartphone to take the photo and post it online.

Description

Take a picture of the outside view, from the window of your classroom. Publish it on the platform thanks to your account.

Find out pictures of schools around the world and comment them!

Each student can pick one photo and explain what they see and feel about it.
